Proposed Field of Research : \_\_\_\_\_  
Proposed Supervisor : \_\_\_\_\_

Students are advised to register research project (P1) in the long semester.

I have read and understood the following (Please tick the box)

- ☐ I understand that P1 & P2 for Research Project need to be registered in two (2) consecutive semester as it is a progressive course.
- ☐ I understand that I need to approach the potential supervisor and obtain their agreement for supervision prior to P1 registration.
- ☐ I understand that the Research Project must be submitted for examination latest by 13<sup>th</sup> week of P2 registration in the following semester.
- ☐ I understand that a **F grade (Fail)** will be given if the Research Project is not submitted for examination as stated above, and the course needs to be repeated in another 2 semesters.
- ☐ I understand that the proposed of field of research and supervisor is subject to the approval by faculty.
- ☐ I understand that I shall complete Research Methodology course prior to P1 registration.
- ☐ I understand that I shall complete the registration for Research Project in MAYA system within the registration period.
- ☐ I understand that I should initiate discussion with supervisor to update my research progress P1 and P2 from time to time.
- ☐ My research brief research intent for Research Project is attached for further action.
- ☐ I understand that I need to obtain the approval for Ethics Clearance from UMREC for my research project paper prior to registration of P1 in special semester (if applicable)
