DEAN'S MESSAGE

Assalamualaikum and warm greetings,

Congratulations and welcome to the Faculty of Business and Economics (FBEC), Universiti Malaya.

You are joining one of Malaysia's leading centres for business and economics education, within the country's premier university. FBEC has a strong international standing, underpinned by AACSB and AMBA accreditations, with EQUIS accreditation currently being pursued. This is complemented by a long record of excellence in teaching, research and engagement with industry, government and the wider community.

We take this standing seriously. Our responsibility is to provide you with an education that is academically rigorous, relevant to the world beyond the University, and able to prepare you well for the opportunities and challenges ahead.

Your programme has been developed through international benchmarking and regular engagement with industry and other stakeholders. Alongside a strong foundation in your chosen field, you will learn through case studies, projects, research, discussion and practical engagement. Our programmes are reviewed regularly so that what we teach remains current and relevant.

I encourage you to make full use of your time at FBEC. Attend and participate actively in your classes, get to know your lecturers and fellow students, and take advantage of opportunities beyond the classroom. These may include industry talks, competitions, student activities, professional development programmes, community projects and international mobility.

University is also a place to test your ideas, discover new interests and learn from people with different backgrounds and perspectives. Some parts of the journey will be demanding. When you need guidance, speak to your academic advisor or seek support early. There are people and resources here to help you.

At FBEC, we place importance on integrity, responsible decision-making and an awareness of the wider consequences of what we do. These values matter in business, economics and public life, and I hope they will remain important to you well beyond your years at the University.

You are now part of the FBEC and Universiti Malaya community. I hope you will take pride in that, contribute to it, and make the most of the opportunities that come with it.

I am pleased to welcome you to FBEC and wish you every success in the years ahead.
