STUDENT HANDBOOK

ABOUT UM

VISION

A global university impacting the world.

MISSION

Pushing the boundaries of knowledge and nurturing aspiring leaders.

QUALITY POLICY

Universiti Malaya is committed to conduct teaching and learning, carry out research and provide quality services on a global level, generate and enhance knowledge through continuous improvement efforts for the benefit of all stakeholders, especially Universiti Malaya's students.

CORE VALUES

ABOUT FACULTY OF BUSINESS AND ECONOMICS

THE ESTABLISHMENT OF FACULTY OF BUSINESS AND ECONOMICS

Business education in the Universiti Malaya dates back to 1966 when the Faculty of Economics and Administration first offered business and accounting courses. In line with the growing demand for business and economics programmes, the Universiti Malaya, Faculty of Business and Economics (FBEC) was subsequently established on 6 th September 2021 (a merger of three faculties namely, Faculty of Business and Accountancy, Faculty of Economics and Administration and International Institute Of Public Policy & Management) to focus on developing these programmes. FBEC strives to meet the challenges of preparing the Candidates to play a vital role in the industry and nation building. FBEC seeks to remain at the forefront of business and accounting education and continues to enjoy the reputation of an excellent knowledge-based institution. FBEC is headed by a Dean and assisted by five (5) Deputy Deans, two (2) Directors and six (6) Heads of Departments. The six (6) departments are Accounting, Finance, Management and Marketing, Decision Science, Economics and Political Science, Public Administration and Development Studies.

VISION

A global university impacting the world.

MISSION

We aspire to be the leader and preferred institution in business and accounting education by:

- Providing graduates quality education and global perspective that meet the evolving needs of various stakeholders
- Contributing to the advancement of knowledge in the area of business and accounting through quality research and publication.

OBJECTIVES

- To produce graduates who are socially responsible, knowledgeable and highly skilled in business, management and accounting.
 - To explore and expand the frontiers of knowledge through teaching, research and publication.
- To establish a closer relationship and improve cooperation with the private and public sectors, as well as with other institutions of higher learning – local and international.

BACHELOR OF ACCOUNTING

(PROGRAMME STRUCTURE / STUDY PLAN)

INTRODUCTION

AIM OF THE PROGRAMME

To equip graduates with a practical and conceptual understanding of accounting methods and techniques, skills, leadership, ethical values and an appreciation of interdisciplinary links to accounting. The curriculum has been developed with the aim of preparing students for employment advancement in the fields of private or governmental accounting.

PROGRAMME EDUCATIONAL OUTCOME (PEO) / LEARNING OUTCOMES OF THE PROGRAMME (PLO)

PEO 1	PEO 2	PEO 3
Graduates work in an accounting-related area in local and multinational companies. (PLO1, PLO2, PLO3, PLO6, PLO7)	Graduates continue to pursue lifelong knowledge or professional development. (PLO8, PO9)	Graduates continue to contribute to the sustainable development and well-being of the community. (PLO4, PLO5, PLO10)
PLO		
At the end of the accounting programme, graduates are able to: <ol style="list-style-type: none"> 1. Illustrate knowledge in related accounting disciplines including financial accounting, management accounting, auditing and taxation. 2. Solve organizational issues using related accounting concepts, principles and techniques. 3. Demonstrate practical skills in related accounting disciplines. 4. Work in a diverse team. 5. Communicate effectively in written and oral forms with various stakeholders. 6. Implement solutions to accounting related problems using digital technologies. 7. Implement solutions to accounting-related problems using quantitative skills. 8. Demonstrate autonomy and leadership skills in managing responsibilities. 9. Form self-directed life-long learning and entrepreneurial skills. 10. Conform to accountant's ethical and professional conduct. 		

PROFESSIONAL RECOGNITION

UM's Bachelor of Accounting programme is recognised both nationally and internationally. The programme is recognised under Schedule 1 Accountants Act 1967. Graduates of this programme are eligible to register as members of the Malaysian Institute of Accountants (MIA), subject to three years practical accounting experience, as stipulated in Part IV of the Accountants Act 1967.

In addition, the programme is also recognised by other international professional accounting bodies. BAcc graduates from UM may get maximum exemptions from the following bodies:

Institute of Chartered Accountants in England and Wales [ICAEW]

Certified Practising Accountants (Australia)
[CPA (Australia)]

The Chartered Institute of Management Accountants [CIMA]

The Chartered Institute of Public Finance and Accountancy [CIPFA]

Malaysian Institute of Chartered Secretaries and Administrators [MAICSA]

Advance Collegiate Schools of Business (AACSB)

Bachelor of Accounting is recognised by the Association to Advance Collegiate Schools of Business (AACSB), a world-class body that recognises institutions that meet the strict quality standards. This recognition is accepted by well-known employers and other universities around the world. As of August 18, 2020, only 876 institutions from around the world have received AACSB recognition.

For students wishing to embark on a professional pathway with MICPA for CPA (Malaysia) qualifications, they are entitled to apply for Students Sponsorship Programme (SSP) by MICPA. Starting from this year, the engagement sessions with MICPA that pertain to the information on SSP, are held virtually - i.e. online.

The University had a Memorandum of Understanding (MOU) with MICPA on 11th March 2020, whereby under this memorandum the University shall be given the authority to conduct the examination for all courses in ASE (except for capstone) internally. This project is still in its infancy stage subsumed under the Special Working Group (SWG) project. The trial phase is expected to run for a period of two (2) years.

Accordingly, it is advised that if students wish to take up the MICPA qualification path, then they should consider taking the elective CIA3009 Advanced Taxation. Therefore, since the SWG project has just started, it is worthwhile for students to take up the Advanced Taxation elective, as they prepare for their MICPA Advanced Stage Examination. Graduates who pass MICPA examinations, shall also be granted with qualifications from Chartered Accountants Australia and New Zealand (CAANZ) due to mutual agreement between these two professional bodies.

The ACCA Accelerate programme is a special arrangement between ACCA and the University, which gives students the opportunity to register and start preparing professional level exams (Strategic Professional Examinations) with ACCA prior to graduation. These students will be professionally qualified accountants upon completion of their degree and ACCA.

UM is also in collaboration with ICAEW to offer the ICAEW qualification. Students are exempted from eight (8) ICAEW papers when they pass all relevant courses of BACC that qualify for ICAEW credit for prior learning (CPL). The students are also eligible to take four (4) Strategic Credit papers that will be offered in October 2020 (date of commencement). The students need to gain 55% for the final examination portion only in the BACC courses to qualify for these strategic credits.

Further, the students can take the remaining three (3) ICAEW papers after they graduate from the BACC program. Alternatively, UM is in collaboration with ICAEW and Sunway TES that also offers the ICAEW qualification via the Structured Internship Programme. Capable students who are selected are also exempted from eight ICAEW papers. The students are allowed to sit for some of the remaining papers in the third and final year of their programme.

For students who wish to embark on a professional pathway with CIMA, the arrangement between UM and CIMA allows students to be exempted from ten (10) CIMA papers when they pass all Bacc core courses. In June 2021, UM has signed an MOU with CIMA that allows our students to join the Finance Leadership

Programme (FLP) Programme during their study in UM and learn independently via online platforms to obtain CIMA qualification. Under the FLP programme, students are only required to pass three main case study exams (operational, management and strategic) and are able to obtain various certificates from CIMA.

UM and CPA (Australia) have entered into an agreement to allow fourth year students to take selected segments of the CPA programme. The students need to complete the relevant courses of BAcc to gain full exemption of the foundation level of CPA programme. The BAcc graduates from UM may apply to CPA to join as an associate (ASA) member, before commencing the professional papers. This will allow the students to get a head start in their professional accounting career.

MAICSA is the premier professional body for company secretaries and governance professionals. BAcc graduates from UM are eligible to apply for exemptions of certain modules of The Chartered Governance Qualifying Programme (CGQP).

CIPFA is the leading accountancy body for the public services providing education and training in accountancy and financial management. UM BAcc graduates are entitled to exemptions for certain papers of CIPFA.

UM is the first University in Malaysia to be accepted into the Internal Auditing Education Partnership (IAEP) programme by the Institute of Internal Auditors (IIA) Inc. USA. This programme was developed by IIA for the purpose of promoting and assisting educators who offer an internal audit education programme. The IAEP programme prepares students with the skills and knowledge to help them to conduct basic internal audits immediately upon hires and also provides them with a foundation to begin preparing for the CIA® examination. Other benefits offered include free books, research collaboration and assistance, and student internships at member organisations.

The following table summarises the exempted modules by different professional bodies and its corresponding courses in BAcc:

ACCA		
Modules Exempted	Accredited courses/ Courses required for exemption	Modules to complete
Performance Management	CIA2003 Accounting for Decision Making and Control	1. Strategic Business Leader 2. Strategic Business Reporting 3. Choose any 2 modules: Advanced Financial Management OR Advanced Performance Management OR Advanced Taxation OR Advanced Audit and Assurance
	CIA3004 Seminar in Management Accounting	
Taxation	CIA2012 Principle of Taxation	
	CIA2013 Tax Compliance	
Financial Reporting	CIA1003 Intermediate Financial Accounting and Reporting

PROGRAMME STRUCTURE

The BAcc programme structure is in accordance with the proposal from the 'Jawatankuasa Halatuju 3 Program Perakaunan Institusi Pengajian Tinggi Awam (IPTA)'. The formation of the curriculum for the accounting programme has taken into consideration the guidelines given by the International Education Standards (IES) produced by the International Federation of Accountants. The programme structure has been approved by all principal stakeholders including the Ministry of Higher Education, Malaysia and the Malaysian Institute of Accountants (MIA). The BAcc programme structure encompasses five main components:

- Accounting, financial and other related knowledge
- Organisation and business knowledge
- Information technology
- Communication skills, industrial exposure and integrated case studies
- Knowledge outside of the accounting field through elective courses

Special sessions are conducted by the Faculty to help students to master the use of accounting and auditing software; namely UBS and AXP. In addition, students are required to attend entrepreneurship and soft skills workshops. The workshops are conducted by the Centre for the Initiation of Talent and Industrial Training (CITra) and the Faculty.

Students will have successfully completed the BAcc Programme once they have obtained a Cumulative Grade Point Average (CGPA) of 2.0 and above and passed (with at least a C grade) all required courses, which consist of the following components:

BACC PROGRAMME STRUCTURE

COMPONENT	CREDITS	PRE-REQUISITE

DESCRIPTION OF UNIVERSITY COURSES

CIX2005: ENTREPRENEURSHIP	3 CREDITS
SYNOPSIS: In this course, students will be exposed to the basic principles of entrepreneurship, business plan development, as well as the process of starting and growing a business. Students will have the opportunity to share entrepreneurial strategies through social engagement activities. This course will provide students with hands-on experience to enhance their decision-making skills.	
Level of Required Proficiency: Not Applicable	
GLT1017: BASIC MALAY LANGUAGE	2 CREDITS
SYNOPSIS: This course emphasises mastering basic skills in Malay for international students enrolled in the undergraduate study programmes. The course includes four skills, which are pronunciation and speaking; listening, reading and writing in Malay for basic communication. Emphasis is given to oral and written exercises.	
Level of Required Proficiency: Not Applicable	
GIG1012: PHILOSOPHY AND CURRENT ISSUES	2 CREDITS
SYNOPSIS: This course covers philosophical relations with the Philosophy of National Education and Rukunegara. The use of philosophy as a tool to purify the culture of thought in life through the arts and methods of thinking and human concepts. The main topics in philosophy are epistemology, metaphysics and ethics discussed in the context of current issues. Emphasis is given to philosophy as a basis for fostering inter-cultural dialogue and fostering one's values. At the end of this course students will be able to see the disciplines of science as one comprehensive body of knowledge and related to each other.	
Level of Required Proficiency: Not Applicable	
GIG1013: APPRECIATION OF ETHICS AND CIVILIZATIONS	2 CREDITS
SYNOPSIS: This course discusses ethical concepts from different civilization perspectives. It aims to identify the systems, developmental stages, progress and culture of a nation in strengthening social cohesion. In addition, discussions on contemporary issues in the economic, political, social, cultural and environmental aspects from an ethical and civil perspective can produce students who are morally and professionally sound. The application of appropriate High Impact Education Practices (HIEPs) is used in the delivery of this course. At the end of this course students will be able to relate ethics and civic-minded citizenship.	
Level of Required Proficiency: Not Applicable	

DESCRIPTION OF BACC COURSES

Faculty Core Courses

CIB1001 MANAGEMENT	3 Credits
<p>Synopsis:</p> <p>In general, this course will cover the four major principles of management, i.e. planning, organizing, leading and controlling. These four principles make up the management process. Description of management process will be explained in terms of the changes in the environment, particularly the way globalization affect management. In this course, students will be also exposed to other important aspects of management such as ethics and social responsibility, decision making, organization's culture, etc.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	
CIB3010 BUSINESS ETHICS & CORPORATE GOVERNANCE	3 Credits
<p>Synopsis:</p> <p>The course promotes reflections of ethical dilemmas that arise in various functional business disciplines and develops the students' capacity to analyse, argue and confidently apply systematic ethical reasoning using ethical dimensions. This exposure will develop and enhance the student's understanding of moral obligations as businesses and the importance of moral character in business. Students will discuss the principal of philosophical ethical theories and their applicability to business decisions. It analyses the relationship between business ethics, law and religion, as is the impact of agency theory and stakeholder. Students will explore the concepts of ethical culture and leadership and learn ways to inculcate such culture and leadership in a business organisation. Furthermore, students will examine the issues of corporate governance in public listed firms and the internal mechanisms to mitigate such issues. This course gives special focus to the role of board of directors, internal control, audit and corporate transparency in enhancing corporate accountability to stakeholders.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 60%, Final Examination: 40%</p>	
CID1001 MANAGEMENT INFORMATION SYSTEMS	3 Credits
<p>Synopsis:</p> <p>The course focuses on the applications of information technology in business. The course will discuss how companies use information technology and information systems to coordinate activities, make decisions, and acquire knowledge to create business value. Supply chain management, customer relationship management, knowledge management and enterprise resource planning systems will also be discussed. Real world business issues and group projects to enhance student learning are also covered.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	

CIX1001 PRINCIPLES OF MICROECONOMICS	3 Credits
<p>Synopsis:</p> <p>This course will expose students to basic principles of microeconomics such as limited resources and choices and how the price theory and the production theory are developed based on these basic principles. Discussion on price theory covers demand and supply models, elasticity and consumer behavior. Failure of the market will also be covered. Production and cost theory will cover theory of the firm within its various market structures together with its efficiency.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	

CIX1002 PRINCIPLES OF MACROECONOMICS	3 Credits
<p>Synopsis:</p> <p>This course will expose students to macroeconomic issues and problems and concepts of basic measurements and calculation of a country's economic progress. Students will also be exposed to basic models of income determination for an open and closed economy, and theories explaining the relationship between government expenditure and taxes. The impact of government's fiscal and monetary policies on business activities namely production on capital and consumer goods are also disclosed to students.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	

CIX1003 BUSINESS STATISTICS	3 Credits
<p>Synopsis:</p> <p>Topics that will be discussed include terminology and uses of statistics, presentation of descriptive data, concept of probability, discrete and continuous random variables, statistical inference mainly in sampling and hypothesis testing. Techniques such as t-test, chi-squared test, analysis of variance (ANOVA), linear regression and correlation will also be discussed.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	

CIX2001 FINANCIAL MANAGEMENT	3 Credits
<p>Synopsis:</p> <p>This course discusses the various financial tools employed to effectively manage a company's financial condition. Other topics discussed are financial statement and analysis, time value of money, bonds and stocks, capital budgeting and its techniques and short-term working capital management.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 50%, Final Examination: 50%</p>	

CIX2007 COMMERCIAL LAW	3 Credits
<p>Synopsis:</p> <p>This course is designed to give a general overview of commercial law in Malaysia. First, it will introduce the Malaysian legal system. This will include the sources of laws, separation of powers, administration of justice, application of English law, and the position of Islamic law.</p> <p>Secondly, this course will inculcate the basic understanding of the law of contracts as the governing principles in all commercial transactions. Among the topics discussed are elements of a contract, types of discharges and the remedies where there is a breach.</p> <p>Thirdly, this course will expose students to the relevant laws pertaining to commercial activities, namely, agency, sale of goods, hire purchase, insurance and banking in Malaysia.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

Programme Core Courses

CIA1002 FOUNDATIONS IN FINANCIAL ACCOUNTING AND REPORTING	3 Credits
<p>Synopsis:</p> <p>This course discusses the development in IASB and MASB in a snapshot. The students are introduced to relevant IFRSs and MFRS. The rationale for conceptual framework and identification of elements and components of financial statements will also be discussed, which is consistent with the teaching pedagogy that is based on the conceptual framework. Other topics like accounting for non-current assets (property, plant and equipment – PPE), intangible asset, current assets (inventory, cash and account receivables), current liability, provisions and contingent liability, equity for the shareholders and retained earnings. In addition, one of the topics discussed includes a topic on financial statement analysis which incorporates financial ratios interpretation.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA1003 INTERMEDIATE FINANCIAL ACCOUNTING & REPORTING	3 Credits
<p>Synopsis:</p> <p>This course reinforces basic accounting knowledge and further exposes students to more elements of financial statements. The course covers topics such as: revenue; property, plant and equipment; intangible assets; debt and equity financing; events after the reporting period; changes in accounting policies and estimates and correction of errors.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA1004 COST ACCOUNTING	3 Credits
<p>Synopsis:</p> <p>This course introduces the basic concepts, terminologies, and principles and methods of cost accounting at the operational level. Topics include the fundamental elements of costs, cost accumulation techniques, and various costing methods. The main emphasis is on determining the cost of products produced and services rendered.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2001 ADVANCED FINANCIAL ACCOUNTING AND REPORTING	3 Credits
<p>Synopsis:</p> <p>This course provides continuity from the pre-requisite course by exposing students to a more advanced level of examining specific items in the financial statements. Overall, the course covers topics such as: leases, deferred tax, fair value measurement, and ethics.</p>	
<p>Course Pre-requisite(s) : Pass CIA1002 Foundations in Financial Accounting and Reporting</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination : 60%</p>	

CIA2002 ACCOUNTING INFORMATION SYSTEMS	3 Credits
<p>Synopsis:</p> <p>This course exposes students to the accounting information systems in organizations. It covers the accounting cycle, risk, and control elements in accounting information systems. Students will be required to use accounting information systems application package.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2003 ACCOUNTING FOR DECISION MAKING AND CONTROL	3 Credits
<p>Synopsis:</p> <p>This course focuses on the application of management accounting information and techniques for planning, control and decision making. Topics covered include budgeting, standard costing, responsibility accounting and capital expenditure decisions. Behaviour and ethical issues conclude the course.</p>	
<p>Course Pre-requisite(s) : Pass CIA1004 Cost Accounting</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2011 AUDITING PRACTICES	3 Credits
<p>Synopsis:</p> <p>This course provides the foundation for auditing. It discusses the roles of external auditors, management, related professional bodies as well as regulators. This course introduces three concepts in auditing namely audit evidence, audit risk and materiality as well as audit procedures for audit planning, internal control evaluation in auditing transaction cycles such as sales and collection, purchase and payment and inventory and cash.</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2012 PRINCIPLE OF TAXATION	3 Credits
<p>Synopsis:</p> <p>This course introduces the Malaysian taxation system and its principles. The course aims to provide exposure and familiarise students with all aspects of individual taxation, sole proprietorship, partnership and company. Students also will be exposed to various tax administration matters related to Inland Revenue Board Malaysia (IRBM).</p>	
<p>Course Pre-requisite(s) : None</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2013 TAX COMPLIANCE	3 Credits
<p>Synopsis:</p> <p>This course covers all aspects of company taxation, individual tax, real property gains tax, indirect taxes, and UK national insurance.</p>	
<p>Course Pre-requisite(s) : Pass CIA2012 Principle of Taxation</p> <p>Assessment Methods : Continuous Assessment: 40%, Final Examination: 60%</p>	

CIA2008 COMPANY LAW	3 Credits
<p>Synopsis:</p> <p>The course will first discuss the concept of partnership and limited liability partnership, and also the rights and liabilities of their members. Then, it will examine the types and features of a company, the incorporation of a company, the company's constitution, the duties, liabilities and rights of a director, company secretary and member. This course will also cover the types of fundraising by a company, i.e. through the issuance of shares and debentures, and the importance of capital maintenance. GENERAL INFORMATION

COURSE REGISTRATION

A student is required to register for courses in accordance with the stage of study that has been prescribed. The stage of study is determined by the number of credits that has been registered by the student as follows:

Stage of Study	No. of credits
Beginning	35 credits and below
Middle	36-75 credits
Final	76 credits and above

A student is required to pursue his programme of study based on the structure of the programme of study as prescribed by the Faculty and approved by the Senate. Any courses registered other than that prescribed in the programme of study structure will not be considered for the purposes of fulfilment of the degree.

Registration for any course must be completed before the semester starts. Any student who does not complete his registration within the duration prescribed will not be allowed to pursue the course concerned. A student is **not allowed to add/drop courses** after verification of registration is made.

50.00-54.99	C	2.0	Pass
45.00-49.99	C-	1.7	Fail
40.00-44.99	D+	1.3	Fail
35.00-39.99	D	1.0	Fail
00.00-34.99	F	0.0	Fail

**BACHELOR'S DEGREE CLASSIFICATION
UNDER THE SEMESTER SYSTEM**

Degree Awarded	CGPA	Intake : Session 2002/2003 onwards
Pass With Honours	2.00 < 3.70	The senate has decided that a student who achieve a final CGPA of 3.70 and above is qualified for the degree Pass with Honours (With Distinction)
Pass With Honours (With Distinction)	3.70 and above	

CGPA : Cumulative Grade Point Average (Maximum = 4.00)

Remarks :

1. The Marking Scheme as approved by the Senate is applicable to all Bachelor's degree programme under the Semester System, Universiti Malaya **except** for the degree of Bachelor of Medicine and Bachelor of Surgery **and** the degree of Bachelor of Dental Surgery.
2. The degree that shall be conferred is an honours degree based on the final CGPA. For a student to qualify for the conferment of the honours degree, he/she must obtain a final CGPA of not less than 2.00. A student is qualified for the conferment of a degree of Pass with Honours (With Distinction) if he/she:
 - (1) achieves a final CGPA of 3.70 and above;
 - (2) has never obtained grade F for any course for the duration of his/her programme of study;
 - (3) has never repeated for any failed course and/or improvement course grade; and
 - (4) has successfully completed his/her programme of study within the minimum period or prescribed duration.

STUDENT EXCHANGE PROGRAMME

Students may apply to participate in any of the Student Exchange Programmes at our partnering foreign universities. To apply, students need to follow the steps below:

- (1) Check the list and details of the partner universities in various countries through <https://gem.um.edu.my/>
- (2) Check for the courses offered and information on the student exchange programme on the partnering University's website.
- (3) Check out the application procedures and financial provisions through the Global Enrichment & Mobility Centre website (<https://gem.um.edu.my/>). GEM provides funding for exchange programme purposes.
- (4) Get advice from the Faculty Student Mobility Coordinator regarding the suitability of courses to be taken.

INDUSTRIAL TRAINING

Students should apply to the faculty for industrial training placement one semester before the industrial training starts. two (2) weeks before the semester starts, students should register on-line for the industrial training course (CIB3012/CIA3006/CIC3005/EIA3009). for assistance, students may contact the center for the initiation of talent and industrial training (CITRA): -

Email : citra@um.edu.my

Phone Number : +603-7967 5408

Fax Number : +603-7967 5427

ACADEMIC RESEARCH (*only applicable for Bachelor of Economics programme*)

The course is designed to develop students' ability to identify issues to be studied and students' understanding of the critical role of literature review within a research process. Students will plan and produce an academic article consisting of the problem statement and a systematic literature review related to the issues of their interest. The course involves workshops and direct one on one supervision.

To register for this course, students are required to apply to the faculty for supervisor appointment one semester before the Academic Research starts. An announcement will be made to call for registration and supervisor appointment. Students should register online for EIA3010 Academic Research. For any enquiries, students may contact the Coordinator for EIA3010 Academic Research.

STUDENT ACTIVITIES (CLUBS & SOCIETIES)

For students who are actively involved in academic and co-curricular activities, Faculty of Business and Economics provides supporting facilities such as an office for the various clubs, notice boards, letter box, as well as telephone and fax machines (for official use only).

By participating in clubs and societies, it is an interesting way of making new friends, meeting people with similar interests and having a good time during the campus life. Clubs and societies can also help you to build leadership attributes and skills through organizing events and activities.

In addition, Faculty of Business and Economics also assists in several club activities. The following clubs for students that have been established by Faculty of Business and Economics:
